Community Resource Indicators: Distance to Library by Winnipeg NC

This graph shows the mean distance in kilometres to the nearest Winnipeg Public Library. Mean distances were measured from the centre point of each residential postal code to the nearest library. Not all Winnipeg NCs have a Public Library located within their boundaries, but this graph shows that residents in areas without a library do not have a noticeably longer distance to travel compared to residents who do have a library within their NC.

Mean Distance to Nearest Winnipeg Public Library by Winnipeg NC, 2000

'd' indicates NCs for which data was not analyzed.

These definitions can be found in the Child Health Atlas Glossary:
http://www.umanitoba.ca/centres/mchp/reports/child_inequalities/glossary.shtml

[Neighbourhood Cluster \(NC\)](#)

[Socioeconomic Status \(SES\)](#)
