Community Resource Indicators: Rate of Annual Program Hours for Children Aged 0-17 Years, by Winnipeg NC

The rate of annual program hours for children ages 0-17 years are shown here. All NCs except Point Douglas South have at least one program hour per child per year, and the NCs of St. Boniface East, River Heights West, Fort Garry South, River East East, St. Boniface West, and Downtown West have more than four program hours per child per year.

Rate of Annual Program Hours for Children Aged 0-17 Years, by Winnipeg NC, 2000

'd' indicates NCs for which data was not collected.

These definitions can be found in the Child Health Atlas Glossary:
http://www.umanitoba.ca/centres/mchp/reports/child_inequalities/glossary.shtml
